

FASHION LAB

RENTAL RULES

for in5 members

GENERAL RULES

- Lab Hours: Sunday through Thursday 9 am to 6 pm with prior booking
- Only in5 members are permitted to use the equipment for the booking slot. Non-members/third parties will not be allowed to use the machines
- Members are requested to carry their own patterns, fabrics, trims, threads and any specialized items they may need for the sewing of their garment
- Members are requested to not carry any food or beverages into the lab
- Members are requested to take care of their belongings and collect all their personal equipment after their session is complete
- Members are requested to be respectful of others using the machines and wait their turn when needed

EQUIPMENT RULES

- Members are required to book the equipment prior to usage
- Members are required to take technical training prior to using any equipment
- Members are requested not to repair or try to fix a machine in case of any technical issues. Assistance will be provided.
- Members will be required to pay for any damage or loss of equipment during their usage
- Members requested to not unthread any machines

Should you require any assistance from the tailoring staff kindly contact the Lab Manager
